GARDEN ON THE GO

For Girls Ages 7-11

SURRETT HOMES COMMUNITY ROOM
JUNE 24-28 | 9AM-12PM

Come learn and grow with Garden On The Go! We will discover how our foods go from seed to plant and develop our kitchen skills with simple recipes. Plus, each girl will create her own mobile garden to take home at the end of camp! It's going to be great fun, so let's get gardening!
